at **Light of the Village**

Light of the Village is a year-round, Christian ministry that serves to share Christ's message of faith, hope, and love to the inner city, one person at a time "in word and deed" and "in truth and love."

If you are interested in volunteering with us, please email volunteer@lightofthevillage.org or call or text 334.406.0221. See reverse side for volunteer opportunities.

Meal & Grocery Assistance:

Meals are needed for Teen Night and Community Lunch. And snacks are needed for several programs. Additionally, LOV delivers groceries to families frequently. If you would like to contribute to any of these efforts, please contact us at 334.406.0221 or morganc@lightofthevillage.org.

LOV hires interns to work 6 weeks of Summer Bible Camp in 3 locations in the Mobile area. If you know someone who would make an excellent intern or would like to host an intern, contact us at volunteer@lightofthevillage.org or 334.406.0221.
